

## Researching Images

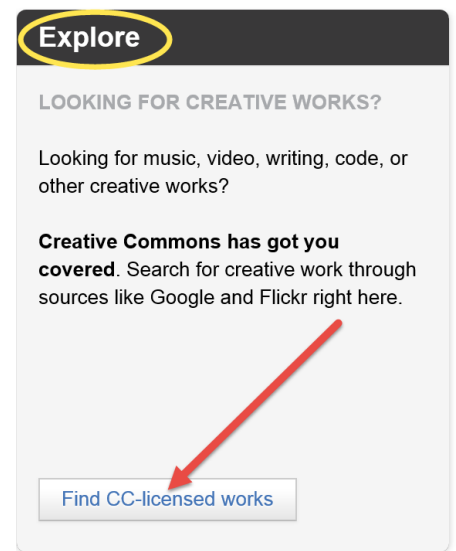

How to use images that have a Creative Commons license attached to them or that are Public Domain to avoid copyright issues

### ✓ 1. Go to [www.creativecommons.org](http://www.creativecommons.org)

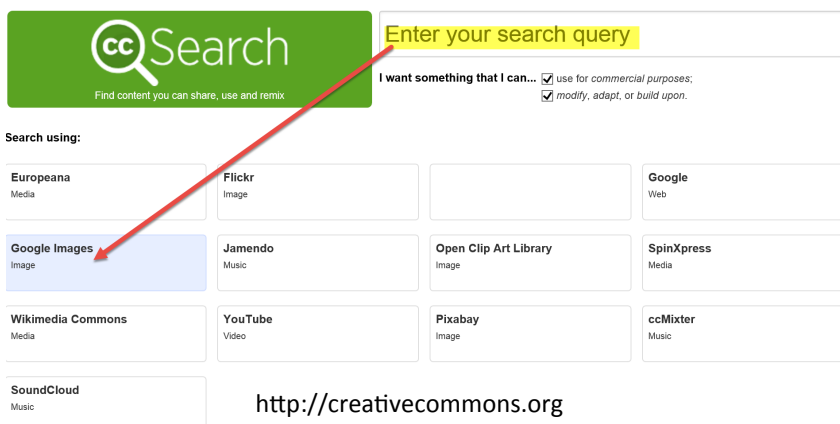

<http://creativecommons.org>

### ✓ 2. Choose [Find CC-licensed works](#) under Explore.

<http://creativecommons.org>

### ✓ 3. Choose your platform and enter your search.

<http://creativecommons.org>

Copy and save the image remembering to **give credit to the source** by copying the URL and placing it under the photo or video.
